

SUSTAINABLE DEVELOPMENT

TOGETHER FOR A BETTER ENVIRONMENT

Les Hôtels Congrès are actively committed to sustainable development, even through simple yet concrete actions. Our mission includes various initiatives to protect the environment, ensuring a greener future for all.

ALWAYS IMPROVING

We continue to make progress in our sustainable development efforts. Several projects are underway and will be shared once they are completed.

OUR ACTIONS - OUR FUTURE

ENVIRONMENTAL SECTION

1. Computerized control of room and meeting room temperatures.
2. Use of recycling bins in all meeting rooms and guest rooms.
3. Internal reuse of paper and office supplies.
4. Reduction or elimination of internal document printing.
5. Prioritization of bulk products and reduction of various packaging.
6. Reuse and recovery of certain materials.
7. Use of a hazardous materials recovery system.
8. Encouragement of reusing sheets and towels to save water and energy, in agreement with guests.
9. Elimination of individual packaging in food services (sugar packets, butter, milk, and cream containers).
10. Minimal use of pesticides on the golf course.
11. Planting of more than 30 trees per year.
12. Free parking and available charging stations.
